

HOW DO I IMPROVE MY ORIGINAL MAGAZINE COVER?

1. Compare your magazine with a similar professional magazine. How can you make your design look more like the professional one?

HOW DO I IMPROVE MY ORIGINAL MAGAZINE COVER?

2. Have you used a variety of font sizes and colours? Often numbers will be in a bigger font for emphasis- e.g 20 ways to build your biceps
3. Have you used buzz words and enticing language to attract the reader's attention? e.g Rhetorical questions
4. Have you used graphic features such as circles, arrows and stars to make your magazine more visually appealing? Have you used coloured or faded panels? Have you got a bars along the top or bottom with features in?

5. Have you included a price?
6. Have you used a slogan or tagline?
7. Have you included a URL?
8. Have you got an unblurred photo? Is it as good as you can make it? Have you tried improving it on pixlr.com or befunky.com or picmonkey.com?
9. Is the background of your photo suitable? It is often best to have a plain background.
